New Business:

Girl Scout troop 20175 is seeking permission to plant an evergreen tree at Burrell Lake Park. This project would be for their quest in achieving their Silver Award. The troop would plant and care for the tree. The Scouts presented their plans. They were advised to touch base with Mr. Montanari regarding the placement of the tree. The type, height, and maintenance of the tree have not been addressed yet. The Parks Commission agrees with their proposal. This same Girl Scout troop joined with other troops for a clean-up of Veterans Park last April and plans to do it again this April.
