Report of Council Representative:

Councilman Koziarski reported that the Veteran's Park sign has been painted by Kelly Cook's daughters. They did a phenomenal job. He hopes to get Braeview's sign done next. The Eagle Scout candidate appeared at a council meeting to present his project of the turtle island. The project was approved. There was an issue at Kotecki Park where somebody unplugged the ice cream machine/freezer. About \$200 worth of food was ruined. Nobody took responsibility. The hillside that has poison ivy was discussed with Mr. Montanari to come up with a solution. The bid is in for the ramp at Fisher Hall. Councilman Koziarski will look at it in more detail and discuss with the people handling the grant to get it underway. The grant was discovered originally by Councilman Fabry. The Farmer's Market has started and is every Saturday from 9 AM to 1 PM. The Kotecki golf outing is coming up August 27th at Hillcrest Country Club. The Library's book sale is July 14th to the 17th. He has discussed with Scott Johnson about getting the millings off of the road and redoing the pathways through the park. Cutting the trees back to increase visibility was discussed.
