Report of Officers: Mr. Montanari commented on the Easter Egg Hunt. He has been in contact with Councilman Koziarski and City Administrator Rockwell about the certified arborist program. He does not know where it presently stands. He commented that there seems to be a big outreach of groups wanting to volunteer in the parks.

Report of Park Employee (David Florek)

Mr. Florek’s report for April 2019 was attached.

Old Business: None

New Business:

Maintaining bird houses and the butterfly garden at the parks was discussed. Giving groups the go ahead to do things at the park need to come with a maintenance plan. A blue bird box needs to be watched so that the house sparrows don’t take up residence. No one had any information on a rabid raccoon at Burrell Lake Park other than the police were called.

Public Comment:

None

Adjournment:

With no further business coming before the Parks Commission, a motion was made by Mrs. Leslie, second by Ms. Esler to adjourn the meeting at 7:15 PM.
